## MEMORIAL DESIGN CAMPAIGN FOR LAKESHORE PSYCHIATRIC HOSPITAL CEMETERY

**PURPOSE:** A design campaign is underway to create a permanent memorial for the 1,511 people buried in the Lakeshore Psychiatric Hospital Cemetery at the northeast corner of Horner Avenue and Evans Avenue in Etobicoke. Most of the people were buried in unmarked graves between 1890-1974. The purpose of this campaign is to create a permanent public marker to remember the people buried here in a dignified and respectful way and to acknowledge their contributions to our community. It is intended to right a grievous historical wrong in which we as a community say to the people buried here: "You are forgotten no longer!"

**ELIGIBLE APPLICANTS:** Any person who self-identifies as a psychiatric survivor, consumer, client or current or former patient of the mental health system and anyone who has a relative who is buried in this cemetery.

**INSTRUCTIONS:** Create an original design that respects the memories and history of the people buried in this cemetery. It should be clearly drawn on a sheet of paper or Bristol board, with all dimensions and materials described. It must be an original submission – photocopies or a faxed copy will be disqualified. Please put your name and contact information on the BACK of your entry so that it will not be visible to the selection committee. People who submit a memorial proposal are strongly encouraged to visit this cemetery before designing a memorial.

**SUBMISSION DATES:** April 1 to June 15, 2008. The chosen applicant will be announced during Mad Pride Week, July 14 to 28, 2008. Send your submission to:

**Attention: Among Friends  
LAKESHORE ASYLUM CEMETERY PROJECT  
MEMORIAL DESIGN COMMITTEE  
185 FIFTH STREET  
TORONTO, ON M8V 2Z5**

**HONORARIUM FOR THE DESIGNERS OF THE ENTRIES CHOSEN:** 1<sup>ST</sup> prize \$650.00; 2<sup>ND</sup> Prize \$250.00; 3<sup>RD</sup> Prize \$100.00

The selection committee will be made up of representatives of the Lakeshore Asylum Cemetery Project and the Psychiatric Survivor Archives Toronto. Members of the selection committee and their relatives/partners/spouses are ineligible to submit a design. The Psychiatric Survivor Archives Toronto and individual donors from the psychiatric survivor community have provided funding for this memorial design campaign. If you need more information, call *Among Friends* at 416 251-8666, or email Deb Quiggin at [deb.quiggin@gmail.com](mailto:deb.quiggin@gmail.com).

## Wish List

Hi Bulletin Readers,

This time we have donations of a forest green couch with maroon and gold cushions. It's in good shape and needs to be picked up by April 30<sup>th</sup> as the person is moving by then. There's also a round table - formica and stainless steel. As well, all the equipment and supplies for a hamster, everything but the little animal itself, and a step machine for fitness. It's big and bulky and again you have to arrange transportation. There's also a brown blind for a window, and a scanner (software included). The scanner is an older model and was used with Windows ME. The donor believes it will work with ME or earlier, say Windows 98, but not XP or later.

We received 3 requests for the double bed that was in the last Bulletin and of course it goes to the first person who calls. So if there is anyone out there with another bed to donate, bed bug free, of course, you would be making someone very happy and much more comfortable.

If you have something to donate for our Wish List, or you would like to make a request for something, contact the centre at 416 595-2882 or email us at [csinfo@camh.net](mailto:csinfo@camh.net).

### ANNOUNCEMENTS

Inclusion of an announcement is *not* an endorsement of the views of any organization or individual.

In a display of shameless usage of the Bulletin for her own personal uses, Helen announces: I am a grandmother!!! My son and his wife had their child a month early, but he is fine and healthy and ever so beautiful. His name is Noah Wei Cheng Cummings and he weighed in at 6.1 lbs on April 4<sup>th</sup>.

# WORDS TO LIVE BY

The strongest oak of the forest is not the one  
that is protected from the storm and hidden from the sun.  
It's the one that stands in the open where it is compelled to struggle for its existence  
against the winds and rains and the scorching sun.
